The National Preparedness and Response Corps (NPRC) is a national direct AmeriCorps program sponsored by the American National Red Cross. The mission of the NPRC is to provide vital emergency assistance to communities affected by disasters and increase preparedness in the areas of greatest need before disasters strike by recruiting, training and supporting young adults who will provide integrated community outreach and education through Red Cross service activities focusing on Homeland Security.

Members serve as a team, partnered with teachers, in grades K-8 in the inner city of St. Louis. Teams focus on literacy and communication skills often using experiential learning and service learning as tools. Members also address other issues i.e. – individual tutoring, developing peer tutoring systems, after school and summer expanded learning, parental involvement, and assistance to ESL and bilingual students.

Jumpstart recruits and trains achievement-oriented college students to deliver an innovative, early education program via yearlong one-to-one relationships. Jumpstart college student Corps Members are paired with preschool children from low-income backgrounds in the classroom setting and work together on language, literacy, social, and initiative skills for one year. Through this relationship, Jumpstart inspires children to learn, adults to teach, families to get involved, and communities to progress together. Jumpstart is working toward the day every child in America enters school prepared to succeed.

A national, non-profit organization that engages educationally at-risk youth in a combination of service and youth development activities. Service activities focus primarily on renovating houses and buildings for the homeless and low-income families. Members serve directly with community-based organizations to rehabilitate abandoned housing and build new homes for homeless people, persons with HIV/AIDS, the physically challenged, and low-income families. They build awareness of community issues and generate volunteers for local service projects.

Corrine Cooper, Volunteer Services Coordinator

Members serve as Community Outreach Specialists in several key areas of Harvesters' mission. Each Member is assigned to volunteer services, food drives, or nutrition education. As the only food bank in Kansas City, Harvesters seeks to increase the amount of food and services that can be provided to those in need of food assistance. Members contribute to that overall mission by working to increase the quality and quantity of volunteers and food drives, and educating low-income clients about healthy eating on a limited budget.

Website: <http://youth-alliance.org>

It is the goal of the St. Joseph Youth Alliance and its partners to reduce substance use and abuse among youth and to strengthen collaboration among community partners through the development and implementation of expanded services for youth. This will be done through blending existing prevention efforts with the developmental asset philosophy to create an approach to community building that has the potential to complement, strengthen, and expand substance use prevention efforts through community-building strategies. AmeriCorps Members will be placed with partnering organizations to develop and implement multi-faceted strategies designed to increase developmental assets and reduce the likelihood of youth substance use and abuse.
