What was the impact of Covid-19 on your program and what did you do to allow your members to serve or to address the needs in your community?
Impact of COVID-19

As of 3/12: In-Person Learning at Service Partner Schools ended.

Our Members were unable to tutor or provide mentoring to students in person, so we had to work with our Service Partner Schools to come up with new ways to support them and their students.
Service During COVID-19

• **Continuing to Support Our Schools and Students**
  – Virtual Class Sessions Via Zoom
  – Phone Calls Home to Students to Help with Virtual Learning Assignments and Check-In with Them to Ensure They Stay Engaged with Virtual Learning

• **Investing in Member Development**
  – Resume, Cover Letter Support
  – Career Advice & Support After Service
  – Professional Development (Tech, Social Justice, Tutoring Skills, etc)
  – Current Events
