Alternative Service Planning

Maintain integrity of our Programming

+ Individualized Academic Support
+ Enrichment Opportunities
+ Social/Emotional Learning Lessons
+ Community Service Learning

Planning that prepares for:

- Virtual
- In person

⇒ Or a combination of the two models
Virtual programming
+ Meet the needs of the students during e-learning
+ Continue best practices learned during Stay at home order
+ Frequent communication with school for needs assessments

In person programming
+ Smaller group sizes
+ Adhere to CDC guidelines and childcare regulations
+ Keep groups of students with the same team members
+ No intermingling of groups
+ Frequent hand washing

Combination model
+ Support staggered school days
+ Full time team can support all day
+ Run smaller version of in person programming
+ Support students during the day with e-learning on virtual days
