Vague Member Duties

**PROBLEM:** The program used vague language when describing Member Duties such as “other duties as assigned.” This could potentially lead to prohibited activities and to responsibility drift in which members could be displacing employee duties.
SOLUTION: Carefully detail what the member will be doing during service and avoid vague verbiage such as “other duties as assigned” and “etc.”

PROBLEM: I need to know how to delete an old or no longer needed listing.

SOLUTION: The Portal doesn’t allow listings to be deleted, but you can “hide” them. Edit your listing through eGrants and click “No” when asked “Do you want to make this listing available now?” This will effectively “hide” the intended listing.
Age Requirement

**PROBLEM:** The maximum age is set at 55 and there should be no maximum age range. This could lead to potential age discrimination (with the exception of Youth Corps or EnCorps programs).

**SOLUTION:** Please set the maximum age limit at “none” or 99 and above. Also, be sure to save all the way to the end so that the eGrants system records the change properly.
Value of Using Modification Comments

PROBLEM: The program had erroneously entered a maximum age limit and resubmitted the same mistake after follow up with the Program Officer.

SOLUTION: The program used the Modification Comments to articulate their action so CNCS Staff was able to more easily determine if there was a technical issue.

Please allow 48 to 72 hours for review after posting.
