

## **CONGRATULATIONS! YOU HAVE BEEN SELECTED TO USE THE AMERICORPS TRADEMARK**

AmeriCorps is a registered service mark of the Corporation for Community and National Service (CNCS). CNCS provides a camera-ready logo for those who are operating an AmeriCorps program. All sub-grantees' websites shall clearly state that they are an AmeriCorps sub-grantee (i.e., a recipient of AmeriCorps funding) and shall prominently display the AmeriCorps logo. Sub-grantees shall use the AmeriCorps name and logo on service gear and public materials such as stationary, application forms, recruitment brochures, on-line position postings or other recruitment materials, orientation materials, Member curriculum materials, signs, banners, websites, social media sites, press releases, and publications related to their AmeriCorps program in accordance with CNCS requirements.

To publicize the relationship between the Program and AmeriCorps, the sub-grantee shall describe their program as "an AmeriCorps program." Sub-grantees shall provide information or training to their AmeriCorps Members about how their program is part of the National AmeriCorps program and about the other National Service programs of CNCS. Sub-grantees are required to place signs that include the AmeriCorps name and logo at their service sites and strongly encourage you to use the slogan "AmeriCorps Serving Here." AmeriCorps Members should state that they are AmeriCorps Members during public speaking opportunities.

The sub-grantee may not alter the AmeriCorps logo and must obtain written permission from CNCS before using the AmeriCorps name or logo on materials that will be sold or, permitting donors to use the AmeriCorps name or logo in promotional materials. The sub-grantee may not use or display the AmeriCorps name or logo in connection with any activity prohibited by statute, regulation, or CNCS General Terms and Conditions, and these specific award terms and conditions.

AmeriCorps takes their brand seriously as it exhibits the integrity, character, dedicated service, and unselfish efforts of Members around the country. Again, the Missouri Community Service Commission congratulates you on receiving funding to provide opportunities to individuals to serve and to address unmet needs in your community.

We are stronger together and we will continue to "Get Things Done!"
